Balance Sheet at 31 December	10
Cash Flow Statement	11
Notes to the Financial Statements	12

## **Management's Statement**

The Executive Board and the Board of Directors have today considered and adopted the Financial Statements of Koda for the financial year 1 January to 31 December 2018.

The Financial Statements are prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class A, the By-laws of Koda as well as section 23(5) of the Danish Act on Collective Management of Copyright. We consider the accounting policies applied appropriate and the estimates made reasonable. Moreover, we consider the overall financial statements presentation true and fair.

In our opinion, the Financial Statements give a true and fair view of the financial position at 31 December 2018 of the Society and of the results of the Society operations for 2018.

We recommend that the Financial Statements be adopted at the Ordinary General Meeting of the Society.

Copenhagen, 19 March 2019

/ 2019

#### Chairman

## Independent Auditor's Report

To the Board of Directors of Koda

#### **Opinion**

In our opinion, the Financial Statements give a true and fair view of the financial position of the Society at 31 December 2018, and of the results of the Society's operations for the financial year 1 January - 31 December 2018 in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class A, the By-laws of Koda as well as section 23(5) of the Danish Act on Collective Management of Copyright.

We have audited the Financial Statements of Koda for the financial year 1 January - 31 December 2018, which comprise summary of significant accounting policies, income statement, balance sheet, cash flow statement and notes ("Financial Statements").

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class A and the By-laws of Koda and which fulfil the requirements of section 23(5) of the Danish Act on Collective Management of Copyright, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the Financial Statements, Management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

## **Independent Auditor's Report**

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
  material misstatement resulting from fraud is higher than for one resulting from error as fraud may
  involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the
  disclosures, and whether the Financial Statements represent the underlying transactions and events
  in a manner that gives a true and fair view.

# Independent Auditor's Report

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Copenhagen, 19 March 2019 **PricewaterhouseCoopers**Statsautoriseret Revisionspartnerselskab

CVR No 33 77 12 31

Ulrik Ræbild State Authorised Public Accountant mne33262 Anders Røjleskov State Authorised Public Accountant mne28699

The Financial Statements of Koda for 2018 are prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class A and under the following accounting policies which remain unchanged from last year.

The Financial Statements for 2018 are presented in EUR thousands.

### **Recognition and measurement**

Music revenue is recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Society, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Society, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

#### **Translation policies**

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Gains and losses arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the transaction date rates are recognised in financial income and expenses in the income statement; however, see the section on hedge accounting.

#### **Income Statement**

#### Music revenue

Koda's music revenue is recognised in the income statement under the completed-contract method when music has been used before the balance sheet date, and Koda has acquired the right to the revenue on behalf of its members, and the revenue can be reliably measured.

#### Administrative expenses

Administrative expenses comprise expenses for staff, premises, office supplies, etc with deduction of reimbursements received. Staff expenses comprise salaries and payroll related expenses.

### **Depreciation and impairment losses**

Depreciation and impairment losses comprise depreciation and impairment of projects and operating equipment.

#### **Income from investments in group enterprise**

The item "Income from investment in subsidiary" includes the profit/loss for the year.

#### Financial income and expenses

Financial income and expenses comprise return on portfolios etc and are recognised in the income statement at the amounts relating to the financial year.

### Tax

Tax on profit for the year is recognised in the Financial Statements of the Society under the provisions applying to trade associations.

#### **Balance Sheet**

#### Receivables

Receivables are recognised at market value, usually corresponding to the invoiced amount. Other receivables are recognised in the balance sheet at amortised cost, which substantially corresponds to nominal value. The value is reduced by provisions for bad debts according to principles determined on the basis of the Society's experience from past years and of an individual assessment of each receivable.

#### **Securities**

Securities are measured at market value at the balance sheet date. Unrealised price gains/losses at the balance sheet date and realised price gains/losses from sale are included in the item "Net financial income" in the income statement.

### Works database and K-lean (development project)

Development projects are recognised at Koda's share of internal and external project costs.

Development projects comprise external consultant assistance, salaries and other expenses directly and indirectly related to the development activities of the Society.

Development projects that are clearly defined and identifiable and in respect of which the utilisation in the Society can be demonstrated, and where it is the intention to use the project, are recognised as assets. This applies if sufficient certainty exists that the value in use of future earnings can cover operating expenses as well as the development costs.

Development projects that do not meet the criteria for recognition in the balance sheet are recognised as expenses in the income statement as incurred.

Capitalised development costs are measured at cost less accumulated amortisation and impairment losses or at a lower recoverable amount.

Development projects are amortised systematically over their useful lives which are assessed at five years.

#### Operating equipment and leasehold improvements

Operating equipment and leasehold improvements are recognised at cost less accumulated depreciation and any impairment losses. Cost comprises the cost of acquisition and expenses directly related to the acquisition up until the time when the asset is ready for use. Depreciation based on cost reduced by any residual value is calculated on a straight-line basis over the expected useful lives which are 3-5 years for operating equipment and 10 years for leasehold improvements.

#### **Investment in associate**

Investment in associate is recognised at cost. An associate with a negative net asset value is recognised at EUR 0. Any legal or constructive obligation of the Society to cover the negative balance of the enterprise is recognised as a liability.

### **Prepayments**

Prepayments comprise prepaid expenses concerning rent, insurance premiums and subscriptions, etc.

#### **Financial debts**

Loans are measured at amortised cost which substantially corresponds to nominal value.

#### **Cash flow statement**

The cash flow statement shows the Society's cash flows for the year broken down by payments received, operating and investing activities, payments made and changes for the year in cash and cash equivalents and securities at the beginning and end of the year.

### 12 Contingent liabilities

### Rental obligation:

The Society has entered into a rental obligation which is non-cancellable until 1 March 2024. The obligation amounts to EUR 5,479k at 31 December 2018 and part of the lease has been sub-leased on non-cancellable leases totalling EUR 641k.

### Lease obligation:

At 31 December 2018, the obligation amounts to EUR 43k.

#### EG:

Koda has entered into a contractual obligation with EG which is non-cancellable until 1 July 2020. The obligation amounts to EUR 534k at 31 December 2018.

#### Polaris Nordic A/S

Together with Tono, Norway, and Teosto, Finland, Koda participates in the jointly owned company Polaris Nordic A/S that has entered into a five-year operating agreement with ICE. At 31 December 2018, the future estimated expense for Koda in the contract period amounts to EUR 798k.
